light, but aggression for territorial or other gains is wholly inconsistent with modern ideas of civilization, justice and the world's need of peace.

AN ENVIABLE RECORD

The New York Evening Post recently celebrated its 120th birthday, giving an extended review of its interesting history.

Among its famous editors of the past were William Coleman, James Cullen Bryant, Carl Schurz, E. L. Godkin, Horace White and others of national distinction.

The Evening Post always has been noted for its high standards of literary excellence, the merit of its book reviews and its criticism of music and the drama, the conservative and high quality of its editorials, and its eminent respectability in every department.

Being now under the ownership of Rinker Thomas W. Lamont, it is needless to say that Wall Street and in the Post a journal closely connected and sympathetic with financial interests, and wholly free from bolshevik tendencies.
